CAPON SPRINGS AND BATH, (ALKA-
LISE LITHIA WATER.) HAMPSHIRE
COUNTY, VERMONT. Also Ob-
solute Water, rich in Iron, and a fine White
sulphur Spring in the neighborhood. Open on
June 1st to assist in October as the company
will justify. Unequaled by any mineral waters
in America for the cure of acid dyspepsia, kid-
ney and bladder troubles, uterine ailments, rheu-
matism and general debility. The water is
unusually rich in the mineral salts. It is an
unfailing solvent of CALCULI. These waters have proved of great value
in many other diseases, but can be more con-
fidently relied on in the above named than any
other mineral springs in this country. I guar-
antee a cure if curable by mineral waters. The
baths—hot, cold and shower—are unequalled any-
where. The new and elegant swimming pool of
alkaline water, the largest in the United States,
is not in the world, is especially attractive.
No safer or better place for ladies or child-
ren to learn to swim. Plenty to fill their stom-
ach and new beds to rest them on. Rest mount-
ain roads in Virginia, one hundred dollars to the
and expended upon them till spring. The air
in this elevated region is pure and delicious.
Capon being nearer to all the cities north of the
Potomac than any of the Virginia springs of
note by a score of a hundred and fifty miles,
claims a large patronage on that score. For
pleasure or health the traveler need not go
farther. Board, by the month, \$12 \$30 and
\$50 according to location. Send for pamphlet
free, or call on W. S. THOMPSON, 708 16th
st. Washington, D. C., for pamphlets and water.
Fine music, good bowling, fishing and hunting
in season; good livery. W. H. SALL,
my 16-1m Proprietor.
